

Now Hiring NH LICSW or LCMHC!

Healthy Perspectives – Innovative Mental Health Services has an exceptional opportunity for a part-time to full-time therapist in the Southern NH area. Create your own schedule and hours, Monday-Friday. Must be a licensed LICSW or LCMHC in the state of NH. Opportunity to work with children, adolescents & adults.

At Healthy Perspectives, therapists work in collaboration with an experienced team of clinicians including physicians, psychologists, nurses, and licensed social workers and counselors. We are dedicated to providing comprehensive, integrated mental health services that are evidence-based, patient-centered, and accountable. We aim to work closely with other care providers and the person's social network to improve access, quality, outcomes, and value for the behavioral health care services we deliver.

Join our team and enjoy:

- Generous and competitive compensation plan
- Flexible hours
- Weekly Group Supervision
- Renovated, peaceful working environment equipped with conference room
- Optional secured parking area
- Once you meet eligibility as stated in our plan documents, you have the option of participating in our company sponsored 401k plan, the option of 3 Anthem health insurance plans, as well as various supplemental Aflac insurance policies
- Easy to use electronic health records including telehealth platform
- Access to a Medical Claims Specialist and administrative support
- YMCA membership available for full-time staff
- Collaboration available, if needed

Must be a NH licensed LICSW, LCMHC or pending licensure. Basic computer skills are required as well as ability to commute to office.

If interested, please send resume and cover letter to plopez@hp-imhs.com with "Applicant" in the subject line. We look forward to hearing from you!
