

## **Now Hiring NH APRN!**

Healthy Perspectives – Innovative Mental Health Services has an exceptional opportunity for a part-time or full-time Psychiatric Nurse Practitioner in the Southern NH area. Create your own schedule and hours, Monday-Friday.

At Healthy Perspectives, Nurse Practitioners work in collaboration with an experienced team of clinicians including physicians, psychologists, nurses, licensed social workers and counselors. Opportunities for professional growth are also available in our specialized treatment programs including:

- TMS (Transcranial Magnetic Stimulation) Clinic
- Spravato Clinic
- Perinatal Services
- Clinical Research Trials
- Mental & Physical Health Integration

We are dedicated to providing comprehensive, integrated mental health services that are evidence based, patient centered, and accountable. We aim to work closely with other care providers and the person's social network to improve access, quality, outcomes, and value for the behavioral health care services we deliver.

Join our team and enjoy:

- Generous and competitive compensation plan
- Flexible hours
- Weekly Group Supervision
- Renovated, peaceful working environment equipped with conference room
- Optional secured parking area
- Once you meet eligibility as stated in our plan documents, you have the option of participating in our company sponsored 401k plan, the option of 3 Anthem health insurance plans, as well as various supplemental Aflac insurance policies
- Easy to use electronic health records including telehealth platform
- Access to a Medical Claims Specialist and administrative support
- CEU offerings including Psychiatry Grand Rounds with Dartmouth Hitchcock
- Medical Center
- YMCA membership available for full-time staff
- Collaboration available, if needed

---

Must be a NH licensed APRN or pending licensure. Basic computer skills are required as well as ability to commute to office.

If interested, please send resume and cover letter to [plopez@hp-imhs.com](mailto:plopez@hp-imhs.com) with "Applicant" in the subject line. We look forward to hearing from you!
